

# Christmas 2021 Newsletter

It seems like only 5 minutes since I was writing last year's newsletter... 2021 has flown by and unfortunately we find ourselves facing yet another uncertain Christmas. I really hope this finds you and your family safe and well, and with much to look forward to in 2022.

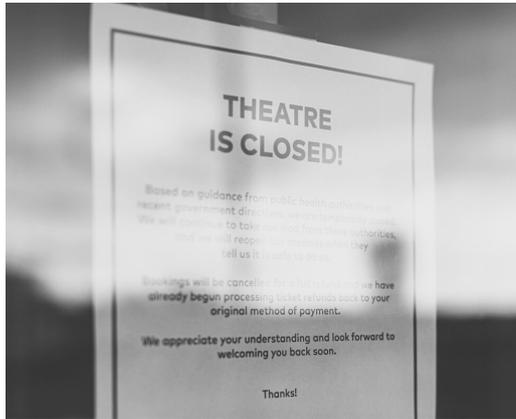

It's been another relatively quiet year for T.O.T.E., as the corporate entertainment and theatre worlds continue to get themselves back on their feet, but we did have one thing to celebrate... this year, we reached **5 years of being a limited company - a milestone I am very proud of**. Since incorporating in 2016, we have produced three new musicals, four concerts, one musical theatre album and progressed with four new pieces of writing, all alongside our provision of live musicians and entertainment acts for clients across the UK.

This year we've also increased our provision of **online lessons and workshops**, providing music, drama and academic tuition for students aged 6-18. We've seen pupils through GCSES, A-Levels, music exams, online performances and secondary school entrance, and have fully embraced online learning. We look forward to providing these services for a long time to come.

But we haven't stopped working on new theatre and writing! Having launched the concept album for '**A Mother's War**' at the end of 2021, this year has seen us enjoying lots of air play on musical theatre radio channels, including Musical Theatre Radio (MTR) and the 'Sit In The Stalls' programme on Box Office Radio. We can't wait to see what will happen next with it. Please check out the album, streaming now on all major platforms.

However, like many in the entertainment industry, we have also faced some great disappointment this year. Unfortunately, following the cancellation of the production in 2020, we had to make the difficult decision not to progress with '#MR.SIMONSAID' as planned. We very much hope that the show will have a future at some point and want to thank again all those who supported its development thus far.

So now we look towards 2022...

Plans include an exciting workshop for a new musical; more airplay of some pieces in development; increasing our supply of corporate entertainment and continuing with our education services.

I say it every year... but **please do come to us for all your entertainment needs!** If you're hosting a party or event, don't hesitate to get in touch with me on +44 (0)7828 771724 or at [info@testoftimeentertainment.co.uk](mailto:info@testoftimeentertainment.co.uk) for quotations and info.

You can also follow us on social media [@testoftimeentertainment](https://www.instagram.com/testoftimeentertainment) (Instagram) and [@testoftime\\_ltd](https://twitter.com/testoftime_ltd) (Twitter), and on Facebook.

And finally, all that's left to say is... **thank you** again for your support this year, **HAPPY HOLIDAYS** and see you in 2022!
